You are being sent a copy of this privacy notice because you are applying for work with us (whether as an employee, worker or contractor).

It makes you aware of how and why your personal data will be used, namely for the purposes of the recruitment exercise, and how long it will usually be retained for.

It provides you with certain information that must be provided under the General Data Protection Regulation ((EU) 2016/679) (GDPR).

- Accurate and kept up to date.
- Kept only as long as necessary for the purposes we have told you about.
- Kept securely.

### **The kind of information we hold about you**

- Information about your race, ethnicity, religious beliefs, sexual orientation and political opinions

### **How is your personal information collected?**

We collect personal information about candidates from the following sources:

- You, the candidate.
- 3rd party job search websites and social media.
- Directly from our website <https://krystal.uk/>
- Recruitment agencies, if used within the application process
- Your named referees
- Your personal or business website, where applicable

### **How we will use information about you**

We will use the personal information we collect about you to:

- Assess your skills, qualifications, and suitability for the role.
- Carry out background and reference checks, where applicable.
- Communicate with you about the recruitment process.
- Keep records related to our hiring processes.
- Comply with legal or regulatory requirements.

It is in our legitimate interests to decide whether to appoint you to the role since it would be beneficial to our business to appoint someone to that role.

Having received your CV, covering letter and your application request from our website we will then process that information to decide whether you meet the basic requirements to be shortlisted for the role. If you do, we will decide whether your application is strong enough to invite you for an interview either over the phone or face to face.

If we decide to call you for an interview, we will use the information you provide to us at the interview to decide whether to offer you the role. If we decide to offer you the role, we will then take up references before confirming your appointment.

## **If you fail to provide personal information**

If you fail to provide information when requested, which is necessary for us to consider your application (such as evidence of qualifications or work history), we will not be able to process your application successfully.

For example, if we require a credit check or references for this role and you fail to provide us with relevant details, we will not be able to take your application further.

## **Automated decision-making**

You will not be subject to decisions that will have a significant impact on you based solely on automated decision-making.

## **Why might you share my personal information with third parties?**

We will only share your personal information with the following third parties for the purposes of processing your application. All our third-party service providers and other entities in the group are required to take appropriate security measures to protect your personal information in line with our policies.

We do not allow our third-party service providers to use your personal data for their own purposes. We only permit them to process your personal data for specified purposes and in accordance with our instructions.

## **Data security**

We have put in place appropriate security measures to prevent your personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal information to those employees, agents, contractors and other third parties who have a business need-to-know. They will only process your personal information on our instructions and they are subject to a duty of confidentiality. Details of these measures may be obtained from David Kimberley, our Chief Operating Officer.

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

### **How long will you use my information for?**

We will retain your personal information for a period of 12 months after we have communicated to you our decision about whether to appoint to you the role you have applied for.

We retain your personal information for that period so that we can show, in the event of a legal claim, that we have not discriminated against candidates on prohibited grounds and that we have conducted the recruitment exercise in a fair and transparent way. After this period, we will securely destroy your personal information in accordance with applicable laws and regulations (unless we decide to recruit you).

If we wish to retain your personal information on file, on the basis that a further opportunity may arise in future and we may wish to consider you for that, we will write to you separately, seeking your explicit consent to retain your personal information for a fixed period on that basis.
